"Mrs. Fraser had several children at the time of her marriage to Euzign Thompson, but none after."

1. One daughter married John G. Chute who lived and died on the Front of Frederictonburg.
2. Another married James McHabb, of "Meyer's Creek," later Belleville. One time in Upper Canada Legislature for Hastings Co. two grandchildren were Mrs Willard of Kingston, & Mrs James Chute of Belleville.
3. Another, Eliza Ellen, married Dr. J. B. Ham, a man at one time well known in this County. He lived at one time in Kingston & was in the law office of with Sir John A. Macdonald (1815-91). He afterwards studied Medicine, & they moved to Whilby, where they both lived & died. Mr. Thompson made her his heir to the farm & other lands he held. In after years a number of the farmers along the second concession — the Vandewater, Houghs, Gills & others — had a long & expensive lawsuit with the Hams, about the possession of goods connected with their farms, which, it was claimed, Thompson had obtained a title from the Government.
4. Another dau. married James Carpenter, who many years ago was quite a prominent citizen of Toronto, where some of the descendants still are living.

Dear Dr. Burleigh:

I have checked all those references to Elizabeth Fraser's lands which you gave me in your letter of the 18th instant, but there was no marriage certificate nor any reference to Elizabeth's maiden name.

However, by devious ways, I came across the following item which I think will give you the information you want, if not the actual proof:

Dear Dr. Burleigh:

We have your letter of the 8th  
inst.

Do you know where Elizabeth  
Thompson's lands were located? Our Township Papers  
are arranged by township, concession and lot but  
without definite information, it is impossible to  
search. It would be like looking for a needle in  
a haystack - an endless job - and, at the moment,  
I am alone in the office, due to holiday arrangements  
of a small staff.

I doubt very much if that marriage  
certificate was left with the Land Board. It would  
simply have to be produced and examined and in all  
likelihood would be returned to her.

If you sent the date of Elizabeth  
Thompson's Order-in-Council, November 18th, 1797, to

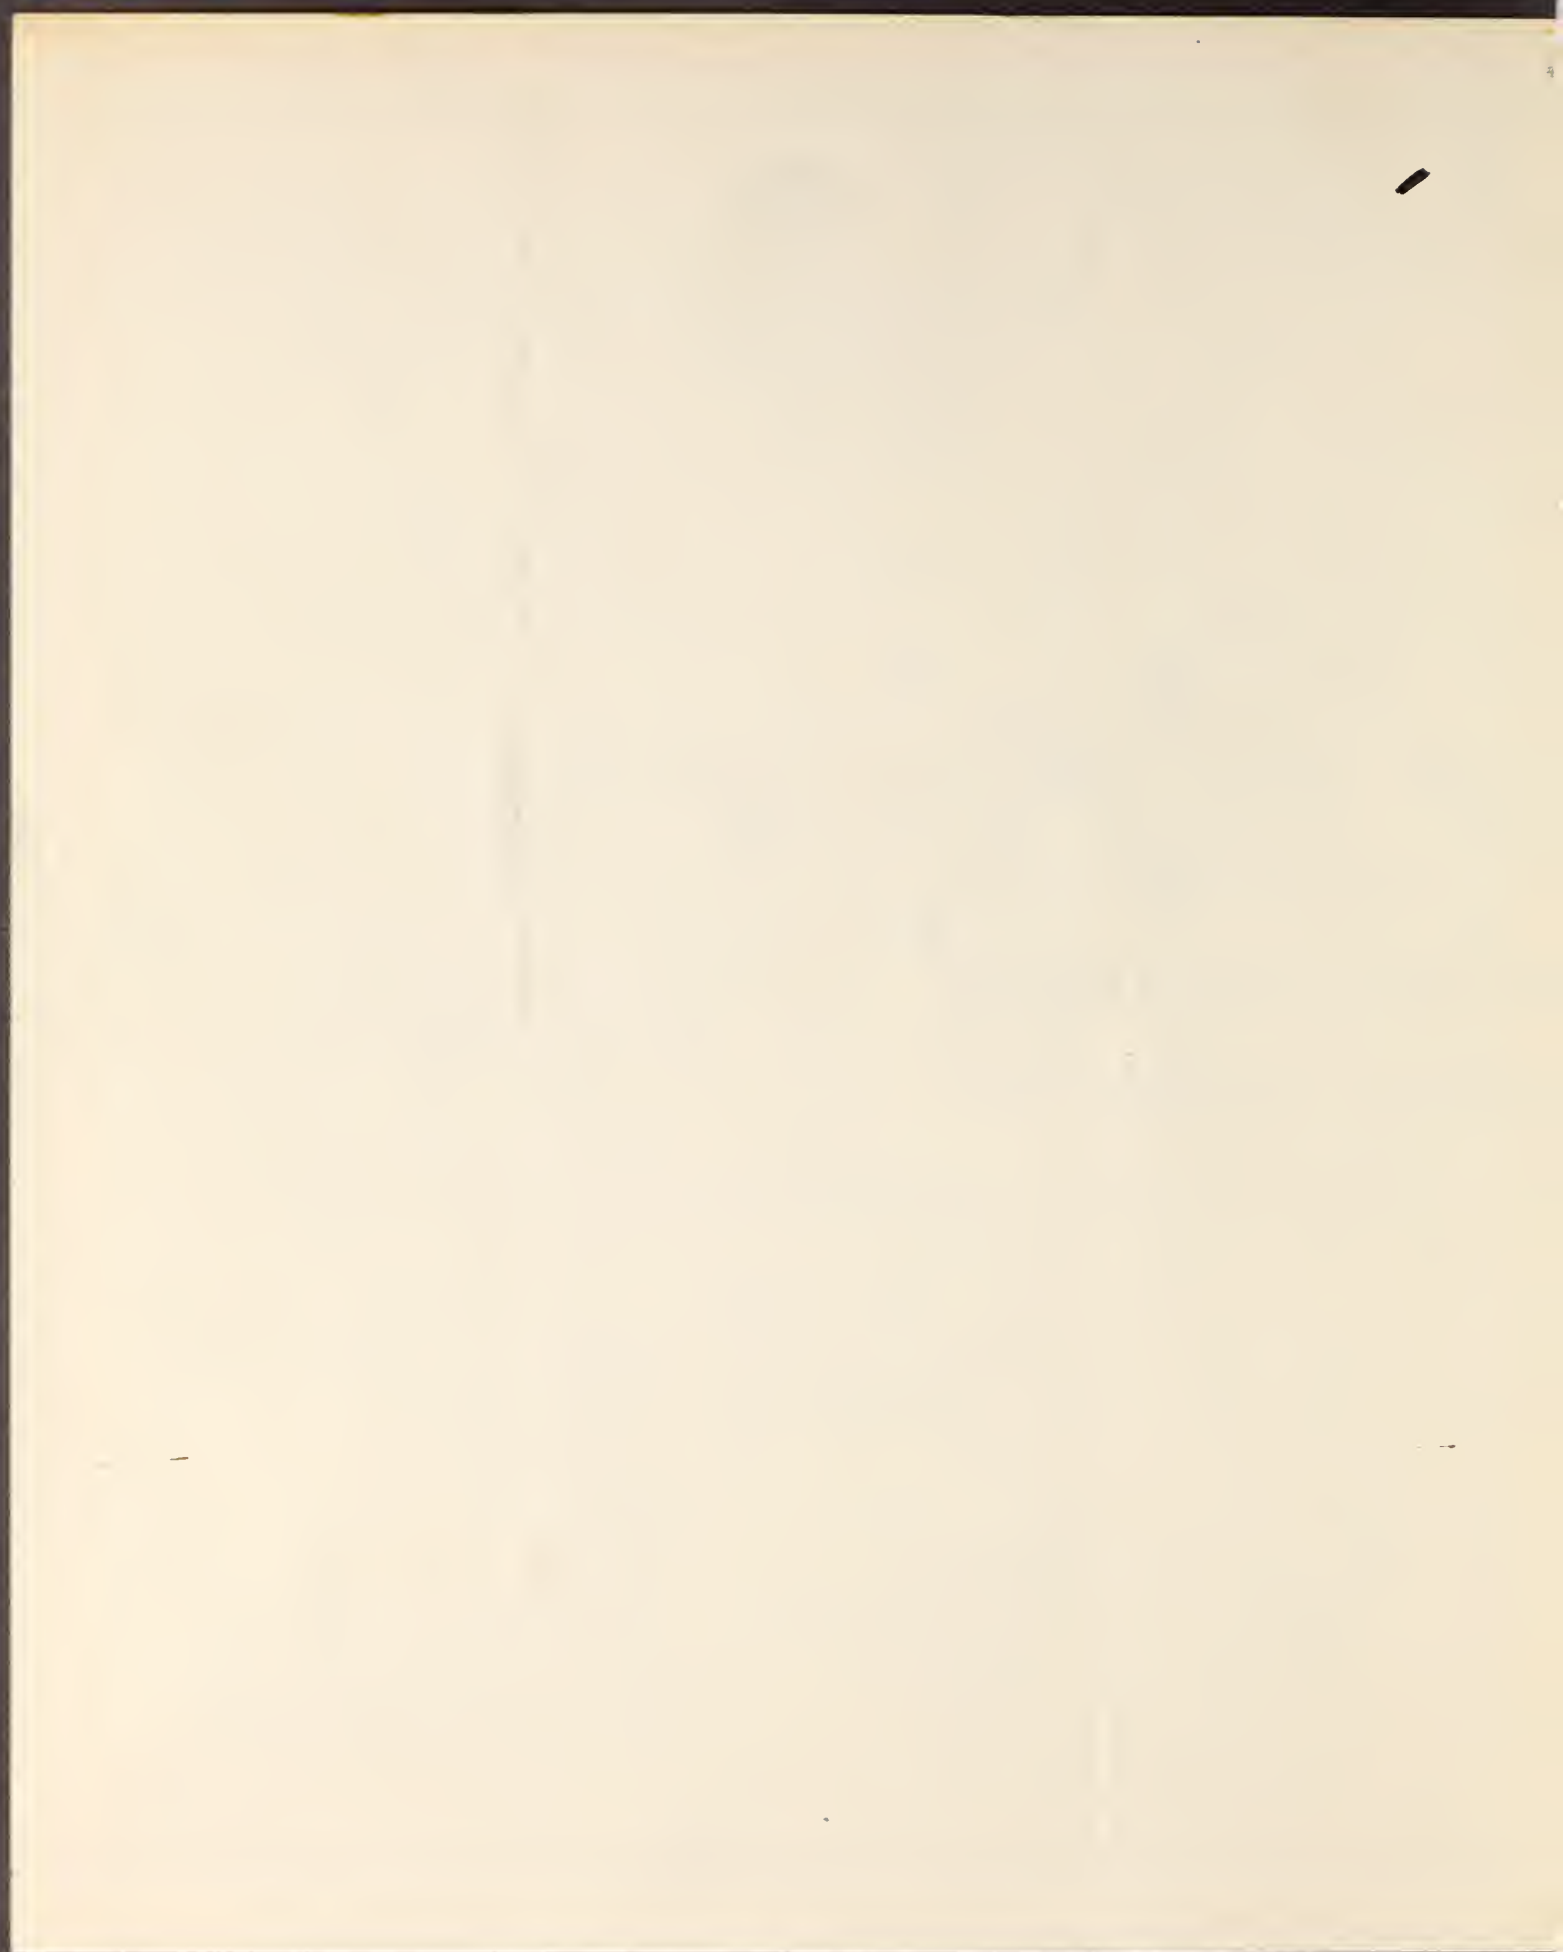

The Public Archives,  
Ottawa, Ont.

and ask for a copy of the Petition, they will send it  
to you. There might be some information given in it  
which would be of interest.

Yours sincerely,

Sir:-

Your letter addressed to Dr. E.-Z. Massicotte has been remitted to us, as the former Chief of this Department died almost two years ago, aged 80 years.

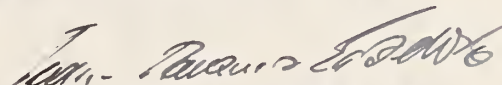

May I bring to your notice that we find a trace of the death of William FRASER, on September 26th, 1788, but no trace of his Will.

The fee of issuing copy of said death certificate is fifty cents (0.50c/).

Dear Dr. Burleigh:

Your letter of March 28th was passed on to us. We have made a thorough search in our archives and can find no trace of an obituary for Mrs. Thompson who died in 1847. We went through the whole year, but there was no obituary for her.

The Christian Guardian only started publication in 1829 so there is no record of anything before that date. As you say Col. Thompson died in 1823 I am afraid we would not be able to trace an obituary of him.

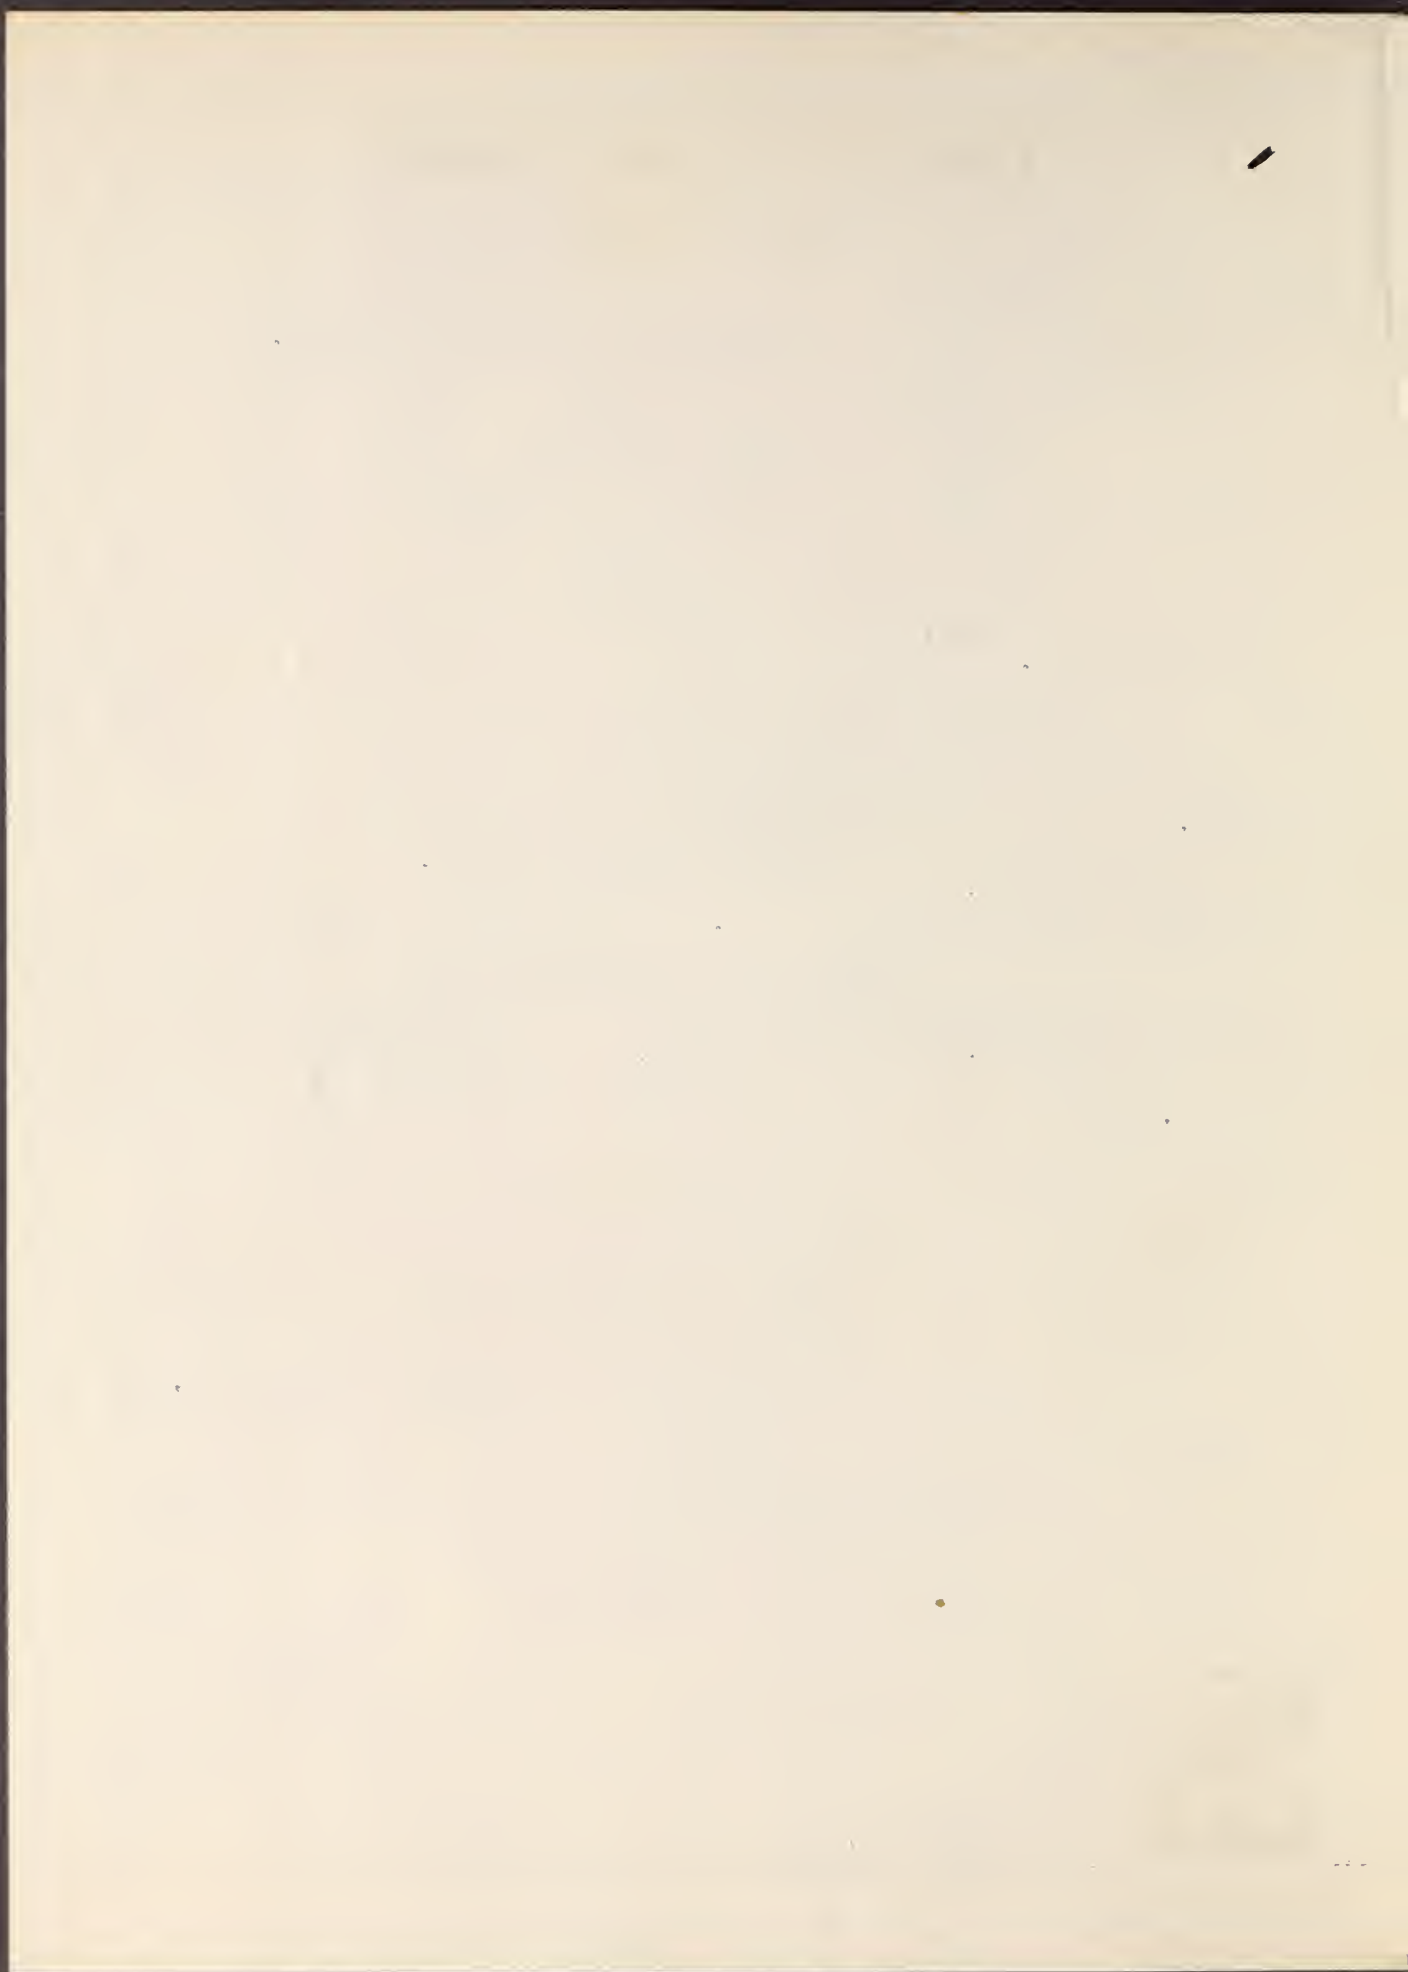

Sincerely yours,

Ottawa, March 22, 1949.

Dear Dr. Burleigh:

In answer to your request of the 15th instant for information regarding the Fraser family and the 34th Regiment, a search of Archives records has resulted in the following information being found.

William Fraser, Adjutant, second Battalion, King's Royal Regiment of New York, wife and three children and a woman servant, appear in a "Return of disbanded troops and Loyalists settled in township No. 3 (Cataraqui), mustered 6th October 1784", at page 71, volume B. 168, Haldimand Papers.

William Fraser died in 1788, according to an affidavit attached to a land grant issued in favor of Adjutant William Fraser and William Crawford, on 22nd May 1798, for lot 5, Con. 2 and lot 17, Con. 1, Fredericksburgh township, Lennox county, Middland District.

His widow, Elizabeth Fraser, married Ensign Timotny Thompson, K.R.R., N.Y., of Fredericksburgh, at Ernesttown on 6th February 1791.

On 9th June 1802, Elizabeth Thompson, wife of Timothy Thompson and widow of late Adjutant William Fraser, was granted lot 2 and East half lot 6 concession on south side of Nappanee River, and lots 12 and 13, 1, 2 and 3 Gore Concession, West half lot 23 and East half lot 24, concession 6, Fredericksburgh township.

On 25th February 1809, Jane G. Clute, wife of John G. Clute, petitions for land as the daughter of late Adjutant William Fraser, U.E.L., of Fredericksburgh township.

burgh, may be found in Ontario Historical Society Papers, vol. 1, page 31.

Volume 4 of Lennox and Addington Historical Society Papers and Records contains a good biography of Timothy Thompson, Elizabeth Fraser-Thompson and their children.

The work entitled "Historical Record of the Thirty-Fourth, or The Cumberland Regiment of Foot", contains an account of the formation of the regiment in 1702, and of its subsequent services to 1844. London, 1844, 100 pages.
